work on control and power relations in our public institutions, Michel Foucault argues that the development of prisons, police organizations and legal hierarchies has merely changed the focus of domination from our bodies to our souls. Even schools, factories, barracks and hospitals, in which an individual's time is controlled hour by hour, are part of a disciplinary society. State of War Ninotchka Rosca 2013-12 An endless festival amidst an endless war is the central image of this novel of the Philippines of the time of Marcos. Three young people seek relief from the suffocating repression and brutality of the Dictatorship by joining an ancient festival in the island of K----. They find instead that the war has followed them and that the festival is but a metaphor for an entire society and culture in conflict. The three find distinct destinies of death, liberation, affirmation

and ultimately, salvation. This book is now considered a classic of Philippine literature.  
**The Revolution According to Raymundo Mata** Gina Apostol 2021-01-12 Revealing glimpses of the Philippine Revolution and the Filipino writer Jose Rizal emerge despite the worst efforts of feuding academics in Apostol's hilariously erudite novel, which won the Philippine National Book Award. Gina Apostol's riotous second novel takes the form of a memoir by one Raymundo Mata, a half-blind bookworm and revolutionary, tracing his childhood, his education in Manila, his love affairs, and his discovery of writer and fellow revolutionary, Jose Rizal. Mata's 19th-century story is complicated by present-day foreword(s), afterword(s), and footnotes from three fiercely quarrelsome and comic voices: a nationalist editor, a neo-Freudian psychoanalyst critic, and a translator, Mimi C. Magsalin. In telling the contested and fragmentary story of Mata, Apostol finds new ways to depict the violence of the Spanish

colonial era, and to reimagine the nation's great writer, Jose Rizal, who was executed by the Spanish for his revolutionary activities, and is considered by many to be the father of Philippine independence. The Revolution According to Raymundo Mata offers an intoxicating blend of fact and fiction, uncovering lost histories while building dazzling, anarchic modes of narrative.

Imagined Communities Benedict Anderson 2006-11-17 The definitive, bestselling book on the origins of nationalism, and the processes that have shaped it. Imagined Communities, Benedict Anderson's brilliant book on nationalism, forged a new field of study when it first appeared in 1983. Since then it has sold over a quarter of a million copies and is widely considered the most important book on the subject. In this greatly anticipated revised edition, Anderson updates and elaborates on the core question: what makes people live and die for nations, as well as hate and kill in their

name? Anderson examines the creation and global spread of the 'imagined communities' of nationality, and explores the processes that created these communities: the territorialization of religious faiths, the decline of antique kinship, the interaction between capitalism and print, the development of secular languages-of-state, and changing conceptions of time and space. He shows how an originary nationalism born in the Americas was adopted by popular movements in Europe, by imperialist powers, and by the movements of anti-imperialist resistance in Asia and Africa. In a new afterword, Anderson examines the extraordinary influence of Imagined Communities, and the book's international publication and reception, from the end of the Cold War era to the present day.

had inspired in the nation. Rizal wrote of his consequent persecution by the church: "My book made a lot of noise; everywhere, I am asked about it. They wanted to anathematize me ['to excommunicate me'] because of it ... I am considered a German spy, an agent of Bismarck, they say I am a Protestant, a freemason, a sorcerer, a damned soul and evil. It is whispered that I want to draw plans, that I have a foreign passport and that I wander through the streets by night ..."

**A Preliminary Analysis of the October 1, 1965 Coup in Indonesia** Benedict R. O'G.

Anderson 2009-11 Although numerous accounts have been published of the genesis and character of the attempted October 1965 coup in Indonesia, many important aspects of that affair still remain very unclear. This seminal work by two of the world's leading Indonesianists offers the first clear analysis of what really occurred during this dark time in Indonesia's history.

Colossal Deception Rigoberto Tiglao 2017-01-19

The book exposes one of the biggest deceptions ever foisted on the Philippine nation, the total domination of our telecommunications industry by foreigners and its deliberate concealment. This is a grave violation of the Philippine Constitution, a fact that was ignored by the Aquino administration when it chose to side with foreign interests instead of following a Supreme Court order to stop the foreign control of a strategic public utility. While claiming to be majority-owned by Filipinos, the reality is that the biggest stockholder of Philippine Long Distance Telephone Co., which operates Smart Communications, is the Indonesian billionaire and former Suharto crony Anthoni Salim with his minor partner the giant Japanese telco NTT. Globe Telecom's biggest stockholder on the other hand is the Singaporean state firm Singtel. With their lucrative duopoly the foreign firms have remitted out of the Philippines gargantuan profits totaling \$9 billion from 2000 to 2015. How are these foreign firms able to bypass the

constitutional limit on foreign control of public utilities with little resistance from the Philippine body politic? This book exposes the chicanery behind the acquisition of the country's biggest corporations, the corruption and cronyism that had allowed this to happen, and the pernicious plot to amend the Constitution to perpetuate the foreign control of companies over vital sectors of our economy.

**Decolonizing Extinction** Juno Salazar Parreñas

2018-08-03 In *Decolonizing Extinction* Juno Salazar Parreñas ethnographically traces the ways in which colonialism, decolonization, and indigeneity shape relations that form more-than-human worlds at orangutan rehabilitation centers on Borneo. Parreñas tells the interweaving stories of wildlife workers and the centers' endangered animals while

demonstrating the inseparability of risk and futurity from orangutan care. Drawing on anthropology, primatology, Southeast Asian history, gender studies, queer theory, and science and technology studies, Parreñas suggests that examining workers' care for these semi-wild apes can serve as a basis for cultivating mutual but unequal vulnerability in an era of annihilation. Only by considering rehabilitation from perspectives thus far ignored, Parreñas contends, could conservation biology turn away from ultimately violent investments in population growth and embrace a feminist sense of welfare, even if it means experiencing loss and pain.

*Noli Me Tangere (Touch Me Not)* Jose Rizal  
2006-06-27 The great novel of the Philippines In more than a century since its appearance, José Rizal's *Noli Me Tangere* has become widely known as the great novel of the Philippines. A passionate love story set against the ugly political backdrop of repression, torture, and murder, "The Noli," as it is called in the Philippines, was the first major artistic manifestation of Asian resistance to European colonialism, and Rizal became a guiding conscience—and martyr—for the revolution that would subsequently rise up in the Spanish province. **Jose Rizal** Lisandro E. Claudio 2018-10-30 The global history of liberalism has paid too much attention to the West, neglecting the contributions of liberals from colonial nations. This book mines the thought of Filipino propagandist and novelist, Jose Rizal, to present a vision of liberalism for the colonized. It is both an introduction to Rizal and a treatise on rights, freedom, and tyranny in colonial contexts. Though a work on history, it responds to the illiberal present of rising authoritarianism and populism.

*You Can't Go Home Again* Thomas Wolfe

2011-10-11 Brad Smith, a "funny, poignant, evocative" (Dennis Lehane) crime novelist, debuts a new series set in upstate New York featuring jack-of-all trades, Virgil Cain, who must clear his name of two murders while on the run from the law in this spirited country noir. Mickey Dupree is one of the most successful criminal attorneys in upstate New York, having never lost a capital murder case. That is the upside of being Mickey. The downside: Mickey has a lot of enemies and one of them drives the

shaft of a golf club through his heart, leaving him dead in a sand trap at his exclusive country club. The cops, led by a dim-witted detective named Joe Brady, focus their attentions on Virgil Cain. Just two weeks earlier Virgil told a crowded bar that “somebody ought to blow Mickey’s head off,” after the slippery lawyer earned an acquittal for Alan Comstock, the man accused of murdering Virgil’s wife. Comstock, a legendary record producer, gun nut, and certifiable lunatic, has returned to his estate, where he lives with his wife, the long suffering Jane. It appears to Virgil that the fix is in when Brady immediately throws him into jail with no questions asked. In order to set things right, Virgil escapes from jail, determined to find Mickey’s killer himself. Aside from a smart and sexy detective named Claire Marchand, everybody is convinced that Virgil is the culprit. When Alan Comstock is discovered with six slugs in his body the day after Virgil’s escape, his guilt is almost assured. Now it is up to Virgil to

convince everyone of his innocence—by finding the killer before he winds up as the next victim. *The Scandals of Translation* Lawrence Venuti 2002-09-11 Translation is stigmatized as a form of writing, discouraged by copyright law, deprecated by the academy, exploited by publishers and corporations, governments and religious organizations. Lawrence Venuti exposes what he refers to as the 'scandals of translation' by looking at the relationship between translation and those bodies - corporations, governments, religious organizations, publishers - who need the work of the translator yet marginalize it when it threatens their cultural values. Venuti illustrates his arguments with a wealth of translations from The Bible, the works of Homer, Plato and Wittgenstein, Japanese and West African novels, advertisements and business journalism.

**Transference** Jacques Lacan 2017-09-05  
"Alcibiades attempted to seduce Socrates, he wanted to make him, and in the most openly avowed way possible, into someone instrumental and subordinate to what? To the object of Alcibiades's desire - ágalma, the good object. I would go even further. How can we analysts fail to recognize what is involved? He says quite clearly: Socrates has the good object in his stomach. Here Socrates is nothing but the envelope in which the object of desire is found. It is in order to clearly emphasize that he is nothing but this envelope that Alcibiades tries to show that Socrates is desire's serf in his relations with Alcibiades, that Socrates is enslaved to Alcibiades by his desire. Although Alcibiades was aware that Socrates desired him, he wanted to see Socrates's desire manifest itself in a sign, in order to know that the other - the object, ágalma - was at his mercy. Now, it is

precisely because he failed in this undertaking that Alcibiades disgraces himself, and makes of his confession something that is so affectively laden. The daemon of Αἰδώς (Aidós), Shame, about which I spoke to you before in this context, is what intervenes here. This is what is violated here. The most shocking secret is unveiled before everyone; the ultimate mainspring of desire, which in love relations must always be more or less dissimulated, is revealed – its aim is the fall of the Other, A, into the other, a." *The Reign of Greed* José Rizal 1912 Classic story of the last days of Spanish rule in the

Philippines.

*El Filibusterismo* José Rizal 1968 José Rizal has a good claim to being the first Asian nationalist. An extremely talented Malay born a hundred years ago in a small town near Manila, educated partly in the Philippines and partly in Europe, Rizal inspired the Filipinos by his writing and example to make the first nationalist revolution in Asia in 1896. Today the Philippines revere Rizal as their national hero, and they regard his two books, *The Lost Eden* (Noli Me Tangere) and *The Subversive* (El Filibusterismo) as the gospel of their nationalism. The Subversive, first published in 1891, is strikingly timely today. New nations emerging in Africa and Asia are once again in conflict with their former colonial masters, as were the Filipinos with their Spanish rulers in Rizal's day. The Subversive poses questions about colonialism which are still being asked today: does a "civilizing mission" justify subjection of a people? Should a colony aim at assimilation or independence? If independence,

should it be by peaceful evolution or force of arms? Despite the seriousness of its theme, however, *The Subversive* is more than a political novel. It is a romantic, witty, satirical portrait of Spanish colonial rule in the Philippines at the end of the nineteenth century, written in the tradition of the great adventure romances. The translation by Leon Ma. Guerrero, Philippine ambassador to the Court of St. James, conveys the immediacy of the original, and makes this important work available to a new generation of readers. His translation of *The Lost Eden* is also available in the Norton Library.

**Dusk** F. Sionil José 2013-03-20 With Dusk (originally published in the Philippines as Po-on), F. Sionil Jose begins his five-novel Rosales Saga, which the poet and critic Ricaredo Demetillo called "the first great Filipino novels written in English." Set in the 1880s, Dusk records the exile of a tenant family from its village and the new life it attempts to make in the small town of Rosales. Here commences the epic tale of a family unwillingly thrown into the turmoil of history. But this is more than a historical novel; it is also the eternal story of man's tortured search for true faith and the larger meaning of existence. Jose has achieved a fiction of extraordinary scope and passion, a book as meaningful to Philippine literature as *One Hundred Years of Solitude* is to Latin American literature. "The foremost Filipino novelist in English, his novels deserve a much wider readership than the Philippines can offer."--Ian

Set amid the ruins of Manila devastated by World War II, his stories are steeped in the post-colonial anguish and hopes of his era and resonate with the ironic perspectives on colonial history of Gabriel García Márquez and Mario Vargas Llosa. His work meditates on the questions and challenges of the Filipino individual's new freedom after a long history of colonialism, exploring folklore,

Mercado y Alonso Realonda (June 19, 1861 - December 30, 1896) was a Filipino nationalist and polymath during the tail end of the Spanish colonial period of the Philippines. He is tagged as the national hero (pambansang bayani) of the Filipino people. An ophthalmologist by profession, Rizal became a writer and a key member of the Filipino Propaganda Movement, which advocated political reforms for the colony under Spain. He was executed by the Spanish colonial government for the crime of rebellion after the Philippine Revolution, inspired in part by his writings, broke out. Though he was not actively involved in its planning or conduct, he ultimately approved of its goals which eventually led to Philippine independence.

**The Chinese Political Novel** Catherine Vance Yeh 2015-02-28 Focusing on its adaptation in the Chinese context, Catherine Vance Yeh traces the rise of the political novel to international renown between the 1830s and the 1910s. Yeh explores in detail the tensions characteristic of transcultural processes, among them the dynamics through which a particular, and seemingly local, literary genre goes global.

*The Spectre of Comparisons* Benedict Richard O'Gorman Anderson 1998 A controversial collection from the author of the celebrated *Imagined Communities*. While Benedict Anderson is best known for his classic book on nationalism, *Imagined Communities*, many of his most telling and incisive interventions have been made in his essays. Those collected in this new book span a range of subjects: from Aquino's Philippines, where the horses on the haciendas ate better than the stable-hands, to political assassination in contemporary Thailand, where government posts have become so lucrative that

to gain them candidates will kill their rivals. In these writing, the subtle imbrication of politics, national imaginings, bureaucracy, modernization and its agents (particularly print culture) is brought out in all its complexity and richness. "The spectre of comparisons" was a phrase used by the celebrated Filipino nationalist and novelist Jose Rizal (1861-96), whose work and fate in the national imagination are discussed in these pages. In his finely wrought observations on Southeast Asian societies, Anderson raises deep questions concerning this spectre, about how, for instance, Manila is changed when it can no longer be seen through a comparison with European capitals, and how, more broadly, nationalism is produce by the process of increasing global connection. *The Spectre of Comparisons* is an indispensable resource for those interested in South-East Asia. But it also contains important theoretical and historical considerations about nationalism, national literature and memory, modernization, and the

**Banana Heart Summer** Merlinda Bobis

2008-05-20 In her lush, luminous debut novel, Merlinda Bobis creates a dazzling feast for all the senses. Richly imagined, gloriously written, *Banana Heart Summer* is an incandescent tale of food, family, and longing—at once a love letter to mothers and daughters and a lively celebration of friendship and community.

Twelve-year-old Nenita is hungry for everything: food, love, life. Growing up with five sisters and brothers, she searches for happiness in the

magical smell of the deep-frying bananas of Nana Dora, who first tells Nenita the myth of the banana heart; in the tantalizing scent of Manolito, the heartthrob of Nenita and her friends; in the pungent aromas of the dishes she prepares for the most beautiful woman on Remedios Street. To Nenita, food is synonymous with love—the love she yearns to receive from her disappointed mother. But in this summer of broken hearts, new friendships, secrets, and discoveries, change will be as sudden and explosive as the monsoon that marks the end of the sweltering heat—and transforms Nenita's young life in ways she could never imagine.
