Where We Come From Oscar Cásares 2019-05-21 A stunning and timely novel about a Mexican-American family in Brownsville, Texas, that reluctantly becomes involved in smuggling immigrants into the United States. From a distance, the towns along the U.S.-Mexican border have dangerous reputations--on one side, drug cartels; on the other, zealous border patrol agents--and Brownsville is no different. But to twelve-year-old Orly, it's simply where his godmother Nina lives--and where he is being forced to stay the summer after his mother's sudden death. For Nina, Brownsville is where she grew up, where she lost her first and only love, and where she stayed as her relatives moved away and her neighborhood deteriorated. It's the place where she has buried all her secrets--and now she has another: she's providing refuge for a young immigrant boy named Daniel, for whom traveling to America has meant trading one set of dangers for another. Separated from the violent human traffickers who brought him across the border and pursued by the authorities, Daniel must stay completely hidden. But Orly's arrival threatens to put them all at risk of exposure. Tackling the crisis of U.S. immigration policy from a deeply human angle, *Where We Come From* explores through an intimate lens the ways that family history shapes us, how secrets can burden us, and how finding compassion and understanding for others can ultimately set us free.

Blood Memory Margaret Coel 2008-09-02 Investigative reporter Catherine McLeod is covering a claim filed by the Arapaho and Cheyenne tribes for twenty-seven million acres of their ancestral lands. Her relentless pursuit of the truth will make her the target of a killer?and plunge her into a conspiracy that leads into the past, the founding of Denver, and her own heritage.

Holden's Resurrection Riley Edwards 2020-10-27 Former Navy SEAL Holden Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one

thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she loved. Close to getting everything they should've always had, Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance. "Riley Edwards is the queen of suspense! She knows just how to grab a reader and not let go! I recommend every single one of her books!" ~Susan Stoker, NYT Bestselling Author What are readers saying about Gemini Group: "I absolutely love the guys in the Gemini group." The Secrets He Kept Jackie Walsh 2019-11-06 'will have you gripped from start to finish, so much so that you really don't want to stop reading!' (5 stars) Reader review 'I was hooked straight in from the first chapter and it really didn't let up. Fast paced and thrilling.' (5 stars) Reader review You know everything about your husband. Don't you? He loves you. He loves your children. He'd never put his family in danger. One of these is a lie. It started like any other day at the hairdressers where Sally works as a stylist... until her first client innocently shows her a family photograph; a photograph that causes Sally to collapse in shock.

In one moment, Sally discovers that Tom has been hiding an explosive secret - one that could tear apart the life they've built together. Faced with an impossible dilemma - search for the truth, or keep her contented life? - Sally is about to discover that even those closest to us have secrets... and that sometimes the truth is the last thing we want to hear. A completely gripping, suspenseful psychological thriller that fans of T.M. Logan, My Lovely Wife and K.L. Slater won't be able to put down. Autumn in Scotland Karen Ranney 2009-10-13 Abandoned by a rogue Betrothed to an earl she had never met, Charlotte Haversham arrived at Balfurin, hoping to find love at the legendary Scottish castle. Instead she found decaying towers and no husband among the ruins. So Charlotte worked a miracle, transforming the rotting fortress into a prestigious girls' school. And now, five years later, her life is filled with purpose—until . . . Seduced by a stranger A man storms Charlotte's castle—and he is not the reprehensible Earl of Marne, the one who stole her dowry and dignity, but rather the absent lord's handsome, worldly cousin Dixon MacKinnon. Mesmerized by the fiery Charlotte, Dixon is reluctant to correct her mistake. And though she's determined not to play the fool again, Charlotte finds herself strangely thrilled by the scoundrel's amorous attentions. But a dangerous intrigue has drawn Dixon to Balfurin. And if his ruse is prematurely revealed, a passionate, blossoming love affair could crumble into ruin.

Cold as Ice Allison Brennan 2020-10-27 In New York Times bestseller Allison Brennan's *Cold as Ice*, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy's life hell. The plot begins with Lucy's husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean's innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean's brother Kane is missing in Mexico, her

partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn't have the resources or patience to execute such a devious plan. Did Elise's father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn't find the answers fast, Sean will die.

The Undoing Jean Hanff Korelitz 2020-10-13 Get ready for *The Undoing*, soon to be the most talked about TV of 2020. From the creators of *Big Little Lies*, *The Undoing* premieres this autumn starring Nicole Kidman, Hugh Grant and Donald Sutherland. 'A great psychological thriller ... I couldn't put it down.' Daisy Goodwin 'Gripping . . . had me in its thrall from page one . . . Brilliant.' Metro A New York Times bestseller Grace Sachs, a happily married therapist with a young son, thinks she knows everything about women, men and marriage. She is about to publish a book called *You Should Have Known*, based on her pet theory: women don't value their intuition about men, leading to serious trouble later on. But how well does Grace know her own husband? She is about to find out, and in the place of what she thought she knew, there will be a violent death, a missing husband, and a chain of terrible revelations. Left behind in the wake of a very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for herself and her child. Published previously under the title *You Should Have Known*

Fundamentals of Neurophysiology R.F. Schmidt 2012-12-06 The English edition of this book has been prepared from the third German edition published in December 1974. The first two German editions, published in 1971 and 1972, respectively, were very well received in Germany. We hope that this English version will enjoy a similar popularity by students wishing to understand the essential concepts relevant to the fascinating field of neurophysiology. The evolution of this book has been unique. The first edition was based on a series of lectures presented for many years to first-year physiology students at the Universities of Heidelberg and Mannheim. These lectures were converted into a series of 38 programmed texts, and after extensive testing, published as a programmed textbook of neurophysiology (*Neurophysiologie programmiert*, Springer-Verlag Heidelberg, 1971). Thereafter the present text was written and thoroughly brought up to date. Throughout this period all of the authors were members of the Department of Physiology in Heidelberg allowing for maximum cooperation at all stages of this endeavor. With regard to the English edition, I wish to express my appreciation to Mr. Derek Jordan and Mrs. Inge Jordan for translating this book, and to my colleagues Dr. Mark Rowe and Dr. Dean O. Smith for their valuable comments and suggestions on the English manuscript. I express my grateful thanks to the publishers, both in Heidelberg and New York, for their unfailing courtesy and for their extraordinary efficiency.

Those Sweet Words Kait Nolan 2017-10-27 Good old, reliable Pru. Of the four Reynolds sisters, Pru is the natural choice to take on custody of the girl their late mother had planned to adopt. At thirty, suddenly becoming the mom of a teenager means big changes, but Pru's ready to do whatever it takes to adopt Ari. Before she settles down, though, she wants one thing for herself. Enter Flynn Bohannon, the sinfully sexy Irish musician in town for her sister's wedding. He's led the kind of free, vagabond life Pru can hardly imagine. Definitely not the kind of guy she should be dating, but he's the perfect guy for a crazy fun fling before her life changes. When Pru proposes a brief, no strings affair, Flynn's not about to say no. But when unexpected complications endanger the adoption, the two find themselves in a phony engagement. Now they have to convince a sharp-eyed, skeptical social worker, a teen who's too smart for her own good, three dubious sisters, and one protective brother-in-law that Flynn's willing to give up the gypsy life and settle down. But in convincing everyone that this relationship is real, will they convince each other as well?

The Guide to Writing Fantasy and Science Fiction Philip Athans 2010-07-18 Science fiction and fantasy is one of the most challenging--and rewarding!--genres in the bookstore. But with New York Times bestselling author Philip Athans and fantasy giant R. A. Salvatore at your side, you'll create worlds that draw your readers in--and keep them reading! Just as important, you'll learn how to prepare your work for today's market. Drawing on his years of experience as one of the most acclaimed professionals in publishing, Wizards of the Coast editor Athans explains how to set your novel apart--and break into this lucrative field. From devising clever plots and building complex characters to inventing original technologies and crafting alien civilizations, Athans gives you the techniques you need to write strong, saleable narratives. Plus! Athans applies all of these critical lessons together in an unprecedented deconstruction of a never-before-published tale by the one and only R. A. Salvatore! There are books on writing science fiction and fantasy, and then there's this book--the only one you need to create strange, wonderful worlds for your own universe of readers!

Code Name: Rook Sawyer Bennett 2020-10-27 Being a highly skilled operative for a company like Jameson Force Security is exhilarating and important work...until it comes time to date. I like to keep my profession under wraps for a number of reasons. Some of what we do is top secret, most of what we do is dangerous, and more than one woman has tried to latch onto me because she was more enamored with what I do than who Cage Murdock really is. And since I'm more of a 'here for the night' than a 'here for forever' kind of guy, what's the harm in a little white lie about my job? My harmless deceit has never failed me. Until now. Because I met the most amazing woman and did the unthinkable. I married her. And now my beautiful, unsuspecting, probably-going-to-leave-my-sorry-behind-when-she-finds-out-the-truth wife doesn't know that I'm not a used car salesman like I told her when we met. As it typically does with lies, the truth is about to come out in a big way when Jaime unwittingly gets herself mixed up with some unsavory characters and I, along with the team at Jameson, have to intervene. Now I need to save my girl and hope I can save my marriage too. Let's just say I have some serious explaining to do.

So Twisted Melissa Marino 2016-11-01 "I was totally blown away!" --Tara Sue Me, New York Times bestselling author of the Submissive series Sometimes it feels good to be a little bad. Callie has found the perfect job. As nanny for a single dad and his adorable daughter, she can pay off her student loans and live in a nice house in the heart of Chicago. There's just one problem--her new boss. Definitely no dad bod here. Just six-plus feet of raw, sexual energy. Whoever heard of a dad being so hot? From the sparkle in his daughter's eyes, Aaron can see that hiring Callie was a good decision. But Callie's breathtaking smile and long legs have him thinking about his own needs. Aaron knows it's a bad idea to get involved with the nanny, but it's been years since anyone has captivated him like Callie. When living under the same roof proves too tempting to resist, Callie and Aaron discover a mind-blowing passion unlike anything either has experienced. But with a curious child and a nosy family in the mix, their secret, no-strings fling soon turns into a twisted, tangled knot . . . The Bad Behavior Series: So Twisted So Screwed So Wicked Badd Ass Jasinda Wilder 2017-01-19 I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout "MEDIC!" training just kicks in. It's automatic, immediate. I don't think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he'd been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn't getting him, it's keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn't know what to do with him. It's not in my nature, and if life has taught me anything, it's to not trust anyone, least of all men like Zane. He's a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. * * * Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR.

Man in Love Laurelin Paige 2020-11-24 Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far

away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.

Protecting His Witch Zoe Forward 2014-10-27 The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole "dimension-hopping" issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the Keepers of the Veil series is STANDALONE: * Protecting His Witch * His Witch to Keep * Playing the Witch's Game

The Rough Guide to the Da Vinci Code Michael Haag 2004 Examines the historical facts and myths behind the best-selling novel, including discussions on the Templars, the Holy Grail, and the "Apocryphal Gospels"; a tour guide to sites of interest; and reviews of sources used by the author.

Shakeup Stuart Woods 2020-10-27 Stone Barrington must track down an enemy intent on disturbing law and order in the latest action-packed thriller from the #1 New York Times bestselling author. Upon returning from a dangerous coastal adventure, Stone Barrington is looking forward to some normalcy with the leading lady in his life. But when a grisly crime arrives on his doorstep, along with some suspicious new clients eager for his help, Stone realizes peace and quiet are no longer an option. As it turns out, the mastermind behind the malfeasance rocking New York City and the nation's capital wields a heavy hand of influence. And when Stone is unable to recruit those closest to the case to his side, he is left with few leads and a handful of dead-ends. But with the help of important people in high places--and the expertise of alluring new friends--Stone is more than ready to rise to the occasion.

Crazy Over You Wendy Sparrow 2015-07-28 She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

The Chateau Penelope Sky 2020-10-27 I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier.

He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

Fuzzy Logic in Geology Robert V. Demicco 2003-10-20 What is fuzzy logic?--a system of concepts and methods for exploring modes of reasoning that are approximate rather than exact. While the engineering community has appreciated the advances in understanding using fuzzy logic for quite some time, fuzzy logic's impact in non-engineering disciplines is only now being recognized. The authors of *Fuzzy Logic in Geology* attend to this growing interest in the subject and introduce the use of fuzzy set theory in a style geoscientists can understand. This is followed by individual chapters on topics relevant to earth scientists: sediment modeling, fracture detection, reservoir characterization, clustering in geophysical data analysis, ground water movement, and time series analysis. George Klir is the Distinguished Professor of Systems Science and Director of the Center for Intelligent Systems, Fellow of the IEEE and IFSA, editor of nine volumes, editorial board member of 18 journals, and author or co-author of 16 books Foreword by the inventor of fuzzy logic-- Professor Lotfi Zadeh

Freud on the Psychology of Ordinary Mental Life Susan Sugarman 2010-06-16 Freud, although best known for his elucidation of the unusual in human mental life, also attempted to illuminate ordinary human experience, such as people's appreciation of humor, their capacity to become engrossed in fiction, and their disposition to a variety of emotional experiences, including the uncanny, the stirrings prompted by beauty, and their disposition to mourn. His insights into the everyday and his sense of where within it the productive questions lie reveal an incisiveness that defies both earlier and subsequent thought on his topics. This book works to expose that vision and to demonstrate its fertility for further inquiry. It reconstructs several of Freud's works on ordinary mental life, tracking his method of inquiry, in particular his search for the child within the adult, and culminating in a deployment of his tools independently of his analyses. It shows how to read Freud for his insight and generativity and how to push beyond the confines of his analyses in pursuit of new lines of exploration.

Love Among Lavender Ava Miles 2019-06-05 International Bestselling Author Ava Miles' new family series, *The Merriams*, is back with a good guy trying to get his bad boy on, a good girl starting a risky perfume venture, and everyone's favorite matchmakers. Beau Masters wants to be a bad boy. All his life, he's been careful to be the good guy country singer, the boy-next-door, who opens doors for ladies and says "aw, shucks, ma'am." But a decades-old secret blows the hinges off the door to his life. Everything he thought he knew has scattered to the wind, leaving him questioning who he really is. So when Caitlyn Merriam asks him to be the celebrity spokesperson for the new perfume she's creating in far-off Provence, he swaps out his white cowboy hat for a black one and packs his bags to get away from the past. Caitlyn didn't expect the gorgeous rockstar to join her in her quaint farmhouse in the French countryside. She figures it will only worsen her crush on him. But as Beau tries to get his bad boy on (rather unsuccessfully, in her opinion), she knows something is wrong and calls in back-up. Uncle Arthur and Aunt Clara might be bent on matchmaking these days, but they know how to straighten someone out, and Caitlyn needs all the help she can get to keep her spokesperson on track. But soon it's not just about business, and they're holding hands and walking the lavender fields together. Until Beau's secret threatens to bring down her new venture and the love blossoming between them. ----

Functional Analysis in Asymmetric Normed Spaces Stefan Cobzas 2012-10-30 An asymmetric norm is a positive definite sublinear functional p on a real vector space X . The topology generated by the asymmetric norm p is translation invariant so that the addition is continuous, but the asymmetry of the norm implies that the multiplication by scalars is continuous only when restricted to non-negative entries in the first argument. The asymmetric dual of X , meaning the set of all real-valued upper semi-continuous linear functionals on X , is merely a convex cone in the vector space of all linear functionals on X . In spite of these differences, many results from classical functional analysis have their counterparts in the asymmetric case, by taking care of the interplay between the asymmetric norm p and its conjugate. Among the positive results one can mention: Hahn-Banach type theorems and separation results for convex sets, Krein-Milman type theorems, analogs of the fundamental principles - open mapping, closed graph and uniform boundedness theorems - an analog of the Schauder's theorem on the compactness of the conjugate mapping. Applications are given to best approximation problems and, as relevant examples, one considers normed lattices equipped with asymmetric norms and spaces of semi-Lipschitz functions on quasi-metric spaces. Since the basic topological tools come from quasi-metric spaces and quasi-uniform spaces, the first chapter of the book contains a detailed presentation of some basic results from the theory of these spaces. The focus is on results which are most used in functional analysis - completeness, compactness and Baire category - which drastically differ from those in metric or uniform spaces. The book is fairly self-contained, the prerequisites being the acquaintance with the basic results in topology and functional analysis, so it may be used for an introduction to the subject.

Since new results, in the focus of current research, are also included, researchers in the area can use it as a reference text.
Chasing Zero (An Agent Zero Spy Thriller-Book #9) Jack Mars 2021-03-12 "You will not sleep until you are finished with AGENT ZERO. A superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel."--Roberto Mattos, Books and Movie Reviews CHASING ZERO is book #9 in the #1 bestselling AGENT ZERO series, which begins with AGENT ZERO (Book #1), a free download with nearly 300 five-star reviews. The Palestinians decide they want to make peace with Israel and they want the U.S. President to broker the historic treaty on their territory. The Deception Nikki Sloane 2019-11-05 I've been through hell to get to this place. To wear the perfect white dress and stand beside Royce Hale, the liar I tried desperately not to fall in love with and failed. Or maybe I'm still trapped in hell because the devil is here too. He lurks at my side, plotting terrible ways to make me his. It's win at all costs in this family, and I know now just how far the Hales will go to get what they want. But you can't survive in a house full of lies without learning the art of deception, and once I become a Hale, I'll show them exactly what I've mastered. THE DECEPTION is the third and final book in the twisted Filthy Rich Americans trilogy. It should be read after THE

INITIATION and THE OBSESSION.

Highland Protector Hannah Howell 2010-12-01 A fugitive woman finds refuge in the arms of a Highland warrior in this historical Scottish romance by the New York Times bestselling author. Scotland, 1479. When her dagger is found buried in the body of one of the king's men, there is little room for doubt—the perpetrator must pay with her life. But Ilesabeth Murray Armstrong is no killer, and only one person can help clear her name: Sir Simon Innes, a man so steely and cool that no danger can rattle him . . . and no woman in distress can sway his heart. Until now. Simon has spent his life searching for truth in a world fraught with deception. But the hauntingly beautiful fugitive seeking his aid affects him so deeply, he wonders if he can trust the flawless judgment he has always relied on. For all signs point to Ilesabeth's guilt, except one—the unparalleled desire he feels at her slightest touch.

Dangerous Engagement Charlotte Byrd 2020-03-17 To save my father's life, I have to marry a man I hate. He is arrogant, self-absorbed and hateful. He only wants me as a trophy. He only sees me as a prize. But I can't say no. I look down at the diamond on my left hand and walk down the aisle. That's when I see him. He's the man who showed me that love can petrify you to your core. What happens when I have to make a choice? What happens when the right thing to do is all wrong? What readers are saying about Charlotte Byrd's Books: "This book/series is addictive! Super hot and steamy, intense with twists and turns in the plot that you just won't see coming..." "One-sitting read!" "How on earth did I survive that? My mind is blown, my hearts beating out of my chest and I'm on this cliff, shaking like a leaf in a windstorm waiting to do that all over again with the conclusion to one of the best reasons to get out of work and get lost for a while." "This series is just so intense and delicious. The stunning twists, raw emotions and nerve wracking tension just keep increasing as each book in this enticing series unfolds. I am so invested in Nicholas and Olivia. These characters really worm their way into your heart, while also totally consuming your mind. The gripping story quickly captivates and pulls you back into this couple's world." *Beware of spoilers in the reviews below that are without spoiler alerts.*

The Book of CarolSue Lynne Hugo 2020-08-25 Award-winning author Lynne Hugo returns with a life-affirming, poignant novel in the spirit of A Man Called Ove—a story brimming with both wit and warmth about how a family gets on . . . and goes on. CarolSue and her sister, Louisa, are best friends, but haven't had much in common since CarolSue married Charlie, moved to Atlanta, and swapped shoes covered with Indiana farm dust for pedicures and afternoon bridge. Louisa, meanwhile, loves her farm and animals as deeply as she'd loved Harold, her late husband of forty years. Charlie's sudden death leaves CarolSue so adrift that she surrenders to Louisa's plan for her to move back home. But canning vegetables and feeding chickens are alien to CarolSue, and she resolves to return to Atlanta—until Louisa's son, Reverend Gary, arrives with an abandoned infant and a dubious story. He begs the women to look after the baby while he locates the mother—a young immigrant who fears deportation. Keeping his own secrets, Gary enlists the aid of the sheriff, Gus, in the search. But CarolSue's bond with the baby is undeniable, and she forms an unconventional secret plan of her own. How many mistakes can be redeemed? Praise for the novels of Lynne Hugo "Sparkling prose, wry humor, and timely, relevant themes abound." —Donna Everhart, USA Today bestselling author of The Moonshiner's Daughter "A tender hymn of hope and rebirth that stays with you long after the last page." —Kim Michele

How to Get Into Oxbridge Christopher See 2012-05-03 With competition to get into Oxbridge now so fierce, this book goes beyond standard application technique to focus on long-term development of intellectual potential including insight into the power of positive decision-making; how to practise independent and critical thinking skills; and how you can develop extra-curricular knowledge in genuine and impressive ways to stand out from the crowd. The book includes practical and insider knowledge that can't be found elsewhere - like how to strategically choose your college to boost your chances of admission, and how to interpret and respond to interview questions in a way that demonstrates your intellectual curiosity and academic potential. You'll find sample personal statements; examples of interview questions for all subjects; practical advice on fees and funding; and how to manage parents and peers. There is also a chapter dedicated to International Students.

Crimson Elite T.L. Smith LIMITED TIME BOX SET RELEASE! Welcome to Crimson Elite, the most exclusive sex club in the world. Enter at your own risk, and always remember our number one rule— You must never speak of Crimson Elite—the punishment is severe. **BOOK 1 (CAVALIER)** Creed "Too Hot for Words" Christopher If God created the perfect man he would closely resemble Creed, on the outside that is. He's as cavalier as they come. Unconcerned. Cold. Dismissive. I wonder if he has any feelings at all. And when his lips touch mine, everything goes black. He takes me into his world, and it's the most magical thing I've ever experienced. And I'm sucked in time and time again. Like a moth to the flame, I am ready to be set alight. Elicea 'F*cks With My Head' Beckham Elicea is a firecracker. She has piqued my interest, and no one piques my interest anymore. Beautiful women are what I do—it's my work. Not one of them has managed to get their claws into me the way she does. It's as if she's seeing my icy heart and trying to melt it, set it alight with each touch of her sinful lips. But that can't work, it won't work. Not in my world. **BOOK 2 (ANGUISHED)** It wasn't meant to be this way—she shouldn't have fallen for my brother and left me for him. But she did. And now I'm left to pick up the pieces of my shattered, broken heart. And to top it off, they want me to come to their wedding. Do they think I'm a pushover? Do they think of me as a joke? The old saying stands true, 'Why have enemies when you can have family.' I understand it now, better than I ever have in my life. There's one unexpected surprise though: Storm. She blew in just like one and makes the pain diminish. She's exactly as her name describes her—she is a storm. A beautiful and powerful one. But not all things are meant to last. Like a storm that wreaks havoc, some things cause anguish, and in my life she may very well be one of them.

Reawakening K. L. Kreig 2015-05 "I'm not a piece of property that you can just claim, Romaric." Having been held hostage for a month by vicious vampires, Sarah is now recovering in the most unlikely of places...the shelter that her sister, Kate and her vampire mate, Devon, opened to help such victims as herself. After months under the watchful eye of her sister, she's finally put a plan into motion to secure her future when a very imposing, very stoic and utterly drop dead gorgeous vampire takes her world by storm and turns it completely upside down. "Ah, but that's where you're wrong, my beauty. You are mine and I've come to do exactly that." Romaric Dietrich, West Regent Vampire Lord is one of the oldest vampires alive. He's cold, calculating and nearly unmatched in power. Vampires recognize their Moiras instantaneously and upon first laying eyes on Sarah Hill, he senses she's his. His Moira. His Destined mate. The one woman meant to be his and his alone. But how is that possible when he'd loved and lost his first? In his quest to uncover the truth, not only does he discover that Sarah is indeed the other half of his soul, but he's put himself, and his mate, in the crosshairs of yet another very powerful enemy. Only bonded together do they have the power to win the battles ahead. With one look into his icy-blues, Sarah knows that Romaric is not the aloof, uncaring enigma he pretends to be. Underneath his cool, rough exterior lays a passionate, romantic and fiercely loving heart of gold. As they fight the battles to come, Sarah holds the key to not only unlocking his centuries hardened soul, but to the one thing that will save them both from this new nemesis. But will she make her decision in time? And will they finally get the happiness they both deserve?

Functional Morphology and Diversity Les Watling 2012-12-14 Crustaceans are increasingly used as model organisms in all fields of biology, including neurobiology, developmental biology, animal physiology, evolutionary ecology, biogeography, and resource management. One reason for the increasing use of crustacean examples is the wide range of phenotypes found in this group and the diversity of environments they inhabit; few other taxa exhibit such a variety of body shapes and adaptations to particular habitats and environmental conditions. A good overview of their functional morphology is essential to understanding many aspects of their biology. This volume is the first in *The Natural History of Crustacea* series, a ten-volume series that will treat all aspects of crustacean biology, physiology, behavior, and evolution. The series updates and synthesizes a growing wealth of information on the natural history of this remarkable group. *Functional Morphology and Diversity* explores the functional morphology of crustaceans, which cover the main body parts and systems. The book brings together a group of internationally recognized and up-and-coming experts in fields related to systematics and morphology. Contributing authors study a range of crustacean taxa and topics, and thus the volume provides a compact overview of the great phenotypic diversity and their function found among crustaceans. The first broad treatment of Crustacea in decades, the book will be invaluable for researchers and students in this and related fields.

The Beatles: Complete (Easy Piano Edition) Ray Connolly 1983-11-15 The Beatles wrote 176 of the greatest songs ever to appear in popular music. This songbook includes every single one of them. Each piece is arranged for Piano and Voice, with full lyrics and chord symbols. These simplified arrangements are accompanied by original photographs and some of the strangest, full-colour illustrations to ever grace a book. The wonderfully surreal presentation, along with an absorbing article by Ray Connolly, makes this a commemorative collectible as much as a book of music.
