Baseball Haiku: The Best Haiku Ever Written about the Game Nanae Tamura 2007-04-17 Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.

Tsunami Girl Julian Sedgwick 2021-03-04 Fifteen-year-old Yuki is struggling at school with her confidence, and goes to Japan to stay with her grandfather, a well-known manga artist and to whom she is very close. But during her visit, a calamitous event occurs - the East Coast Earthquak and Tsunami - and her beloved Grandpa is lost. Yuki and her friend Taka must make sense of the terrible situation and come to terms with the loss of their life as they knew it - and see that through renewal and with resilience, they can emerge from this tragedy with optimism for the future. Interwoven with Japanese folk tales, modern-day ghost stories, and the creation of her very own vibrant manga hero, Yuki finds the courage to overcome extraordinary odds, and take her first steps into the world that lies beyond catastrophe. Told through both prose and manga, this story for young adults will touch the heart of any reader.

The Way We Ate Noah Fecks 2013-10-29 From the food photographers and creators of the popular blog The Way We Ate comes a lavishly illustrated journey through the rich culinary tradition of the last American century, with 100 recipes from the nation’s top chefs and food personalities. Take a trip back in time through the rich culinary tradition of the last American century with more than 100 of the nation’s top chefs and food personalities. The Way We Ate captures the twentieth century through the food we’ve shared and prepared. Noah Fecks and Paul Wagtouicz (creators of the hugely popular blog The Way We Ate) are your guides to a dazzling display of culinary impressionism: For each year from 1901 to 2000, they invite a well-known chef or food connoisseur to translate the essence or idea of a historical event into a beautifully realized dish or cocktail. The result is an eclectic array of modern takes and memorable classics, featuring original recipes conjured by culinary notables, including: Daniel Boulud, Jacques Pépin, Marc Forgione, José Andrés, Ruth Reichl, Marcus Samuelsson, Michael White, Andrew Carmellini, Anita Lo, Gael Greene, Michael Lomonaco, Melissa Clark, Justin Warner, Michael Laiskonis, Sara Jenkins, Shanna Pacifico, Jeremiah Tower, and Ashley Christensen An innovative work of history and a cookbook like no other, The Way We Ate is the story of a nation’s cravings—and how they continue to influence the way we cook, eat, and talk about food today.

The Cozy Life Pia Edberg 2016-04-07 In today's world, we're constantly rushing from one thing to the next and are struggling with information overload. We're more disconnected from ourselves and our loved ones than ever before. Rediscover the joy of the simple things through the Danish concept of Hygge in The Cozy Life. This book will inspire you to slow down and enjoy life's cozy moments!
* Learn about the Danish cultural phenomenon of Hygge, and the secret to why Denmark is consistently rated the happiest country in the world
* Embrace the little things and take simplicity and minimalism up a notch
* Add Hygge into every aspect of your life with practical examples and tips
* Say goodbye to the Winter Blues and live a healthier, centred life
This charming little book, filled with hand drawn illustrations, beautifully addresses that yearning we all have for a more authentic life, created by ourselves instead of external forces. What's stopping you from living a more meaningful and connected life?

Images of Postmodern Society Norman K K Denzin 1991-08-27 By using a series of studies of contemporary mainstream Hollywood movies - "Blue Velvet, Wall Street, Crimes and Misdemeanors, When Harry Met Sally, Sex Lies and Videotape, Do the Right Thing "- Norman Denzin explores the tension between ideas of the postmodern, and traditional ways of analyzing society. The discussion moves between two forms of text: social theory and cinematic representations of contemporary life. Denzin analyzes the ideas of society embedded in poststructuralism, postmodernism, feminism, cultural studies and Marxism through the ideas of key theorists like Baudrillard, Barthes, Habermas, Jameson, Bourdieu and Derrida. He relates these to the problematic of the postmodern self as exposed in cinema centering on the decisive performance of race, gender and class.

Rethinking Asia Samuel Hungsoo Kim 2020 "Our world today is becoming ever more complex, colored with uncertainty, tensions, and fragmentation. Old ways of thinking and acting are insufficient to deal with the many challenges we face today. We need new habits, perspectives, and priorities to navigate our world's uncharted paths and to respond effectively to the obstacles ahead of us. Strong leaders in the future will require multiple-angle observation skills, encompassing both the bird's-eye view and the perspectives on the ground. They will also need the confidence, knowledge, and skill to take bold actions that will turn the course of our destiny upward, shifting our current, challenging realities to the hopeful aspirations of tomorrow. Leadership in this regard is about making progress, a movement toward what is better, safer, and more prosperous for all of us, even in the face of new and overwhelming difficulties. In Rethinking Asia 6: How Leadership Can Be Taught, eight CALI faculty members share their insights and practices on teaching leadership, encompassing both their ideas for positive change and their pedagogical theories on how leadership can be learned and exercised, using their personal and professional experiences as examples and cautionary tales. Showcasing frameworks taught at Harvard's various graduate schools, this book provides readers with an opportunity to think more deeply and systematically about change, power, influence, and leadership, and to increase their own capacities as leaders and agents of change"--

Playtime Puzzles Award Publications Limited 2001-09-30 Make learning lots of fun with this book packed with puzzles to help children develop.

Ben 10 Annual 2013 2012-08-01 The Omnitrix has been replaced by the even more powerful Ultimatrix and Ben's a little bit older now - but he's still turning alien to destroy villains and help keep the good folks in the galaxy safe from harm! It's a tall order, so Ben's really glad that he still has Gwen and Kevin (and their amazing powers) by his side. And Ben now has newer and even more AWESOME aliens than ever! So come and be reunited with some old friends and foes - and meet some new ones, too! Check out the alien facts, brain-busting puzzles and the epic comic strip.

Korean Jaehoon Yeon 2019-06-25 Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

Analytical Pyrolysis C.E.R. Jones 2012-12-02 Analytical Pyrolysis presents the Proceedings of the Third International Symposium on Analytical Pyrolysis, held in Amsterdam on September 7-9, 1976. It looks at newly emergent techniques in analytical pyrolysis, including pyrolysis mass spectrometry, gas chromatography, thin-layer chromatography, and pyrolysis-gas liquid chromatography. The book also covers topics ranging from automation and microbiology to forensic science and pharmacology, reproducibility and specificity, biochemistry, laser-induced pyrolysis, pyrolytic reaction mechanisms, and polymers. Comprised of 50 chapters, this book begins with a discussion of automatic analysis of tire rubber blends using computer-linked pyrolysis gas chromatography, thermal procedures in coupling with thin-layer chromatography, the role of pyrolysis-gas liquid chromatography in biomedical studies, and the identification of microorganisms by pyrolysis gas-liquid chromatography. It then examines forensic applications of analytical pyrolysis techniques, structure and degradation behavior of synthetic polymers using pyrolysis in combination with field ion mass spectrometry, determination of polysaccharides in fulvic acids by pyrolysis gas chromatography, and application of Curie-point pyrolysis mass spectrometry in fungal taxonomy. The reader is also introduced to pyrolysis mass spectrometry of model compounds labeled with stable isotopes, the use of pyrolysis/gas chromatography to determine the quality of porous polymers of styrene cross-linked with divinyl benzene, and application of pyrohydrolysis for a rapid and accurate determination of halides in silicate rocks and minerals. This volume will benefit students, researchers, chemists, and scientists working in the field of analytical pyrolysis.

Smart Tass Mimi Jean Pamfiloff 2017-06-22 From New York Times Bestseller Mimi Jean Pamfiloff comes SMART TASS, a new Romantic Comedy.He's the hot college quarterback all the girls want.She's the smart girl he loves to pick on.And now that they're all grown up, things are about to get geekin' ugly...My name is Tass. I'm smart, I'm driven, and I am determined not to let prankster Hunter Johnson continue raining on my parade. When we were little, he'd pull my hair and call me names. When we were teenagers, he'd throw food and tease me for being a flat-chested virgin.But now that we've ended up at the same college, he's out of his hot head if he thinks he can keep messing with my life. It's like he's fixated on me or something. Well, guess what, Mr. Amazefootball? I'm not that geeky little girl anymore and you do not screw with a smart woman.So what's my plan?It's definitely wild, and he's about to find out...

Southern Edwardseans Obbie Tyler Todd 2022-01-17 The founders and forerunners of the Southern Baptist Convention were fundamentally shaped by the thought of Puritan theologian Jonathan Edwards and his theological successors. While Baptists in the antebellum South boasted a different theological pedigree than Presbyterians or Congregationalists, and while they inhabited a Southern landscape unfamiliar to the bustling cities and tall forests of New England, they believed their similarities with Edwards far outweighed their differences. Like Edwards, these Baptists were revivalistic, Calvinistic, loosely confessional, and committed to practical divinity. In these four things, Southern Edwardseanism lived, moved, and had its being. In the nineteenth-century, when so many Presbyterians scoffed at Edwards’s “innovation” and Methodists scorned his Calvinism, Baptists found in Edwards a man after their own heart. By 1845, at the first Southern Baptist Convention, Southern Edwardseans had laid the groundwork for a convention marked by the theology of Jonathan Edwards.

His Reluctant Omega L. C. Davis 2017-01-28 Mitchell is an alpha among alphas in the brutal Mountain Ridge Pack. He rules with equal parts fear and respect, but his pack is growing restless after decades without an heir to his proverbial throne. Only an alpha and an omega pair can sire another alpha to lead the pack, but Mitchell’s not-so-secret shame is the fact that he hasn’t been able to impregnate any of his female omegas.Unlike the other weaker packs, the Mountain Ridge wolves have always kept their omegas in line and at a safe distance through the infamous yet efficient Breeding Program. On the recommendation of an old rival turned tentative friend, Mitchell decides to try his hand—among other things—in a last-ditch effort at siring an heir with a rare male omega. When a transfer request for one of the only male omegas in the pack uncovers unspeakable abuse and corruption within the Breeding Program, the very future of the pack is thrown into question. -Angel's heart has turned to stone after a lifetime of abuse at the hands of the alpha shifters who oversee the Breeding Program in his pack unit. The only love he has left belongs to the three other omegas he shares his little corner of hell with. Angel will do whatever it takes to protect them, even if it means becoming the mate of the top alpha himself.Angel knows better than to believe the gruff Mitchell when he claims that he's not like the others. Despite his best attempts to steel himself against the strange bond that forms between them, Angel discovers that Mitchell is the most dangerous alpha of all because he wants the one thing Angel has sworn never to give—his heart.With war looming on the horizon, a pack in chaos and two hardened hearts melted by an unlikely spark of love, only one outcome is certain. The Mountain Ridge Pack will never be the same.Disclaimer: See inside cover for content warnings. This is the second book in The Mountain Shifters series. Reading His Unclaimed Omega may provide context, but this book can be read as a standalone.

Captivated by Love Alberta Mazat 1996-09

Color My Butt PenMagic Books 2020-05-10 An Incredibly Humorous Coloring book for Kids and Adults!

Mid Ocean T. Rafael Cimino 2009-06-24 Mid Ocean is a Novel of fiction by Author T. Rafael Cimino and is about the war on drugs as it occurs in South Florida in the year 1984.Joel Kenyon has lived in his father's shadow for most of his life. Even after his Dad's death, the man's powerful legacy still haunts him at every turn. As he graduates from the U. S. Custom's Academy, Joel is assigned strategic duty in the 'bad-lands' of U. S. drug enforcement, the Florida Keys. Set in 1984, Mid Ocean shows the lives of the sometimes violent drug smugglers and the men and women sworn to uphold the law in this Caribbean 'wild west'. In the end, Joel Kenyon will question everyone, including himself in a quest for what's right and true. It is here that he will find out the sea holds many secrets.

Transputer Development System 1990 A coverage of the Transputer Development System (TDS), an integrated programming environment which facilitates the programming of transputer networks in OCCAM. The book explains transputer architecture and the OCCAM programming model and incorporates a TDS user guide and reference manual.

GRE Power Vocab The Princeton Review 2015-06-16 THE PRINCETON REVIEW GETS RESULTS! Ace the GRE verbal sections with 800+ words you need to know to excel. This eBook edition has been optimized for onscreen viewing with cross-linked quiz questions, answers, and explanations. Improving your vocabulary is one of the most important steps you can take to enhance your GRE verbal score. The Princeton Review's GRE Power Vocab is filled with useful definitions and study tips for over 800 words, along with skills for decoding unfamiliar ones. You'll also find strategies that help to liven up flashcards and boost memorization techniques. Everything You Need to Help Achieve a High Score.
• 800+ of the most frequently used vocab words to ensure that you work smarter, not harder
• Effective exercises and games designed to develop mnemonics and root awareness
• Secondary definitions to help you avoid the test's tricks and traps Practice Your Way to Perfection.
• Over 60 quick quizzes to help you remember what you've learned
• Varied drills using antonyms, analogies, and sentence completions to assess your knowledge
• A diagnostic final exam to check that you've mastered the vocabulary necessary for getting a great GRE score

MathLinks 7 Glen Holmes 2007

Cross Breed Lora Leigh 2018-09-25 Fans of #1 New York Times bestselling author Lora Leigh's scorching Breed series first met Cassie as a little girl in Elizabeth's Wolf. Now Cassie has finally come into her own as a young woman, and she's about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra Sinclair stands apart. A unique mix of wolf, coyote and human, she is revered by many—but preyed upon by others. She is fiercely protected by her community...but no one manages to stop her when she slips away one day to offer her body in exchange for her sister's safety. The man she succumbs to surprises her by unleashing her inner animal in ways she never dreamed possible—and provokes her deep, furious rage. To Cassie's shock, he is the mate she has long awaited. She may never be able to forgive his deception. Still, as dangerous enemies track her, and as the threat of all-out war between Breeds and the humans who despise them hovers in the air, they must join forces and hold fast to each other. But the passionate union between them holds a potential that could change the world—and some will do anything to stop it...

Ask Dr. Mueller Cookie Mueller 1997 Ask Dr. Mueller captures the glamour and grittiness of Cookie Mueller's life and times. Here are previously unpublished stories - wacky as they are enlightening - along with favorites from Walking Through Clear Water in a Pool Painted Black and other publications. Also the best of Cookie's art columns from Details magazine, and the funniest of her advice columns from the East Village Eye, on everything from homeopathic medicine to how to cut your cocaine with a healthy substance. This collection is as much an autobiography as it is a map of downtown New York in the early '80s - that moment before Bright Lights, Big City, before the art world exploded, before New York changed into a yuppie metropolis, while it still had a glimmer of bohemian life.

Moon at Nine Deborah Ellis 2015-02-01 Fifteen-year-old Farrin has many secrets. Although she goes to a school for gifted girls in Tehran, as the daughter of an aristocratic mother and wealthy father, Farrin must keep a low profile. It is 1988; ever since the Shah was overthrown, the deeply conservative and religious government controls every facet of life in Iran. If the Revolutionary Guard finds out about her mother's Bring Back the Shah activities, her family could be thrown in jail, or worse. The day she meets Sadira, Farrin's life changes forever. Sadira is funny, wise, and outgoing; the two girls become inseparable. But as their friendship deepens into romance, the relationship takes a dangerous turn. It is against the law to be gay in Iran; the punishment is death. Despite their efforts to keep their love secret, the girls are discovered and arrested. Separated from Sadira, Farrin can only pray as she awaits execution. Will her family find a way to save them both? Based on real-life events, multi-award winning author Deborah Ellis's new book is a tense and riveting story about a world where homosexuality is considered so abhorrent that it is punishable by death.

Wake Up, Woods Michael A. Homoya 2019-10 Early in the year, our North American forests come to life as native wildflowers start to push up through patches of snow. With longer days and sunlight streaming down through bare branches of towering trees, life on the forest floor awakens from its winter sleep. Plants such as green dragon, squirrel corn, and bloodroot interact with their pollinators and seed dispersers and rush to create new life before the trees above leaf out and block the sun's rays. Wake Up, Woods showcases the splendor of our warming forests and offers clues to nature's annual springtime floral show as we walk in our parks and wilderness areas, or even in shade gardens around our homes. Readers of Wake Up, Woods will see that Gillian Harris, Michael Homoya and Shane Gibson, through illustrations and text, present a captivating look into our forests' biodiversity, showing how species depend on plants for food and help assure plant reproduction. This book celebrates some of nature's most fascinating moments that happen in forests where we live and play.

Reading And Rhyme Parragon Book Service Limited 2004-11

Sazzae J. L. Morin 2009 An award-winning novel, Sazzae opens the door to a wondrous cityscape where Japanese and American youth find each other in Tokyo. The innovative Teacher Edition with CD allows a teacher to approach the teaching and learning of Science with confidence as it includes pages from the student book with wrap around teacher notes including answers, hints, strategies and teaching and assessment advice.

Biology 12 2011

Slave Stealers Timothy Ballard 2018-09-04 Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings—Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman–The “Conductor”; Abraham Lincoln–the “Great Emancipator”; Little Mia–the sister who saved her little brother; Guesno Marty–the Haitian father who lost his son to slave traders; and Harriet Jacobs–a teacher for us all.

Cyrión Tanith Lee 2022-06-07 Now for the first time in e-book, a collection of Tanith Lee's short stories and novella about the fantastical adventures of Cyrión, a hero larger than life. Roilant needs a hero—fast. He’s trapped, betrothed to his cousin Eliset in an agreement made to help the destitute branches of their family line. But rumor has it that Eliset is a witch, a villainess behind the deaths of many in his family, and if Roilant weds her, he’ll meet the same fate. Roilant didn’t put much stock in the rumors—until, that is, he tried to call off the betrothal. Since then, he’s been plagued by a series of nightmares demanding he return to Eliset’s side by the end of the month. If he goes to her, he’ll surely be murdered for his fortune, but if he stays, he fears his cousin will kill him and his beloved, the woman he loves. Convinced only one man alive can help him, Roilant stumbles into the Honey Garden inn looking for a legend—a man named Cyrión. All anyone seems to have are stories, but everyone’s heard tell of the mighty Cyrión. They say that he looks like an angel, with hair like the sky of earnest sunrise. That he’s an adventurer, a vanquisher of evil and a defender of man. That he’s a fearless swordsman, a master of disguise, and a genius detective. Some say he’s defeated demons and outwitted wizards. That he’s solved impossible mysteries and survived inescapable death. But is he for real? And—more importantly—is he for hire?

PMP Exam Prep Rita Mulcahy 2013
