*E.E. Cummings* Christopher Sawyer-Lauçanno 2005 First comprehensive life of one of the twentieth century's greatest poetic innovators E.E. Cummings is best remembered as one of the first poets of the twentieth century to successfully unite poetic tradition with the avant garde; endlessly experimenting with the poetic form, and producing volumes of playfully iconoclastic verse. In this, the first biography of Cummings for twenty-five years, Christopher Sawyer-Lauçanno uses his unprecedented access to the poet's own personal papers to present a picture of a man whose literary success was in direct contrast to the chaos of his personal life. From his strained relationship with his Harvard professor father, his war-time incarceration in a French prison camp, his extraordinary, prolific liaisons with young women (and consequent failed marriages), to his writing of some of the most remarkable and tender poetry of the twentieth century, the biographer is expert at weaving together the different and difficult elements of the poet's life. The first biography of E.E. courses everywhere, and is probably the most prolific American poet of the last century Written with unprecedented access to Cummings' own papers

*E. E. Cummings* Susan Cheever 2014-02-11 From the author of American Bloomsbury, Louisa May Alcott, and Home Before Dark, a major reassessment of the life and work of the novelist, painter, and playwright considered to be one of America’s preeminent twentieth-century poets. At the time of his death in 1962, at age sixty-eight, he was, after Robert Frost, the most widely read poet in the United States. E. E. Cummings was and remains controversial. He has been called “a master” (Malcolm Cowley); “hideous” (Edmund Wilson). James Dickey called him a “daringly original poet with more vitality and more sheer uncompromising talent than any other living American writer.” In Susan Cheever’s rich, illuminating biography we see Cummings’s idyllic childhood years in Cambridge, Massachusetts; his Calvinist father—distinguished Harvard professor and sternly religious minister of the Cambridge Congregational Church; his mother—loving, attentive, a source of encouragement, the aristocrat of the family, from Unitarian writers, judges, and adventurers. We see Cummings—slight, agile, playful, a product of a nineteenth-century New England childhood, bred to be flinty and determined; his love of nature; his sense of fun, laughter, mimicry; his desire from the get-go to stand conventional wisdom on its head, which he himself would often do, literally, to amuse. At Harvard, he roomed with John Dos Passos; befriended Lincoln Kirstein; read Latin, Greek, and French; earned two degrees; discovered alcohol, fast cars, and burlesque at the Old Howard Theater; and raged against the school’s conservative, exclusionary upper-class rule by A. Lawrence Lowell. In Cheever’s book we see that beneath Cummings’s blissful, golden childhood the strains of sadness and rage were already at play. He grew into a dark young man and set out on a lifelong course of rebellion against conventional authority and the critical establishment, devouring the poetry of Ezra Pound, whose radical verses pushed Cummings away from the politeness of the traditional nature poem toward a more adventurous, sexually conscious form. We see that Cummings’s self-imposed exile from Cambridge—a town he’d come to hate for its intellectualism, Puritan uptightness, racism, and self-righteous xenophobia—seemed necessary for him as a man and a poet. Headstrong and cavalier, he volunteered as an ambulance driver in World War I, working alongside Hemingway, Joyce, and Ford Madox Ford . . . his ongoing stand against the imprisonment of his soul taking a literal turn when he was held in a makeshift prison for “undesirables and spies,” an experience that became the basis for his novel, The Enormous Room. We follow Cummings as he permanently flees to Greenwich Village to be among other modernist poets of the day—Marianne Moore, Hart Crane, Dylan Thomas—and we see the development of both the poet and his work against the backdrop of modernism and through the influences of his contemporaries: Stein, Amy Lowell, Joyce, and Pound. Cheever’s fascinating book gives us the evolution of an artist whose writing was at the forefront of what was new and daring and bold in an America in transition. (With 28 pages of black-and-white images.)

**A Miscellany (Revised)** E. E. Cummings 2018-07-24 A Miscellany, confined to a private edition for decades, sheds further light on the prodigious vision and imagination of the most inventive poet of the twentieth century: E.E. Cummings. Formally fractured and yet gleefully alive and whole, E. E. Cummings’s groundbreaking modernist poetry expanded the boundaries of language. In A Miscellany, originally released in a limited run in 1958, Cummings lent his delightfully original voice to “a cluster of epigrams,” a poem, three speeches from an unfinished play, and forty-nine essays—most of them previously written for or published in magazines, anthologies, or art gallery catalogues. Seven years later, George J. Firmage—editor of much of Cummings’s work, including Complete Poems—broadened the scope of this delightfully eclectic collection, adding seven more poems and essays, and many of Cummings’s unpublished line drawings. Together, these pieces paint a distinctive portrait of Cummings’s eccentric, yet precise, genius. Like his poetry, Cummings’s prose is lively; often witty, biting, and offbeat, he is an intelligent observer and critic of the modern. His essays explore everything from Cubism to the circus, equally quick to analyze his poetic contemporaries and satirize New York society. As Cummings wrote in his original foreword, A Miscellany contains “a great deal of liveliness and nothing dead.” This remains true today, more than fifty years after its original publication.

**Book of Longing** Leonard Cohen 2008-11-19 Leonard Cohen is one of the great writers, performers, and most consistently daring artists of our time. Book of Longing is Cohen’s eagerly awaited new collection of poems, following his highly acclaimed 1984 title, Book of Mercy, and his hugely successful 1993 publication, Stranger Music, a Globe and Mail national bestseller. Book of Longing contains erotic, playful, and provocative line drawings and artwork on every page, by the author, which interact in exciting and unexpected ways on the page with poetry that is timeless, meditative, and at times darkly humorous. The book brings together all the elements that have brought Leonard Cohen’s artistry with language worldwide recognition.

*Complete Poems, 1904-1962* Edward Estlin Cummings 2015 With a new introduction by Pulitzer Prize-winning poet Stephen Dunn, this redesigned and fully reset edition of Complete Poems collects and presents all the poems published or designated for publication by E. E. Cummings in his lifetime. It spans his earliest creations, his vivacious linguistic acrobatics, and through his last valedictory sonnets. Combining Thoreau’s controlled belligerence with the brash abandon of an uninhibited Bohemian, Cummings, together with Pound, Eliot, and William Carlos Williams, helped bring about the twentieth-century revolution in literary expression. Today Cummings is recognized as the author of some of the most sensuous lyric poems in the English language as well as one of the most inventive American poets of his time—in the words of Richard Kostelanetz, “the major American poet of the middle-twentieth century.” Formally fractured and yet gleefully alive and whole, at once cubistic and figurative, Cummings’s work expanded the boundaries of what language is and can do.

*Passionfood* Neil Astley 2014 Passionfood is a feast of classic and contemporary love poems. There are a hundred flavours in this four-course celebration of love, passion and desire. Compiled by Staying Alive editor Neil Astley, its menu is distinctively different from that of other anthologies of love poetry. There are no broken hearts here. Passionfood is a celebration of true love - love that grows into love that lasts, love that fills every part of our lives, love that never leaves us. Passionfood opens with a starter selection of poems about attraction, desire and longing. Passion is the main course: the excitement of love, being and staying in love, including many of the greatest poems in our literature - by writers such as Shakespeare, John Donne, Elizabeth Barrett Browning, Emily Dickinson, Yeats and Auden. For dessert, the book offers deliciously saucy poems by leading contemporary poets. But like love, Passionfood is a feast which doesn't have to end. The fruit that follows dessert offers still more poetry to savour: poems about deepening love and friendship, love that never leaves us, poems celebrating closeness, trust and mutual understanding, poems of joy, wisdom and shared recognition. Passionfood is a book of positive, provocative and witty love poems for everyone whose life has been nourished and sustained by love, mixing passion with food for thought. It's also a book which holds out hope, and as such, a perfect gift for the person you love, for weddings and engagements, birthdays, anniversaries and Valentine's Day. This new edition is beautifully presented in a quarter-bound hardback gift format.

**Tulips & Chimneys** E.E. Cummings 2019-01-16 Edward Estlin Cummings (1894–1962), a native of Cambridge, Massachusetts, and a Harvard University graduate, is best known for his rejection of traditional poetic forms. As e. e. cummings, he conducted radical experiments with spelling, syntax, and punctuation that inspired a revolution in twentieth-century literary expression and excited the admiration and affection of poetry lovers of all ages. With his 1923 debut, Tulips & Chimneys, the 25-year-old poet rattled the conservative literary scene, directing his avant-garde approach to the traditional subjects of love, life, time, and beauty. His playful treatment of punctuation and language adds enduring zest to such popular and oft-anthologized poems as "All in green went my love riding," "in Just-," "Tumbling-hair," "O sweet spontaneous," "Buffalo Bill's," and "the Cambridge ladies who live in furnished souls." This edition presents complete and textually accurate editions of Cummings's work, in keeping with the original manuscripts and the poet's intentions.

*Collected Poems* Edna St. Vincent Millay 2011-11-08 Edna St. Vincent Millay (1892-1950), winner in 1923 of the second annual Pulitzer Prize for Poetry, was a daring, versatile writer whose work includes plays, essays, short stories, songs, and the libretto to an opera that premiered at New York’s Metropolitan Opera House to rave reviews. Millay infused new life into traditional poetic forms, bringing new hope to a generation of youth disillusioned by the political and social upheaval of the First World War. She ventured fearlessly beyond familiar poetic subjects to tackle political injustice, social discrimination, and women's sexuality in her poems and prose. In the 1920s and '30s, Millay was considered a spokesperson for personal freedom in America, particularly for women, and we turn to her lines to illuminate the social history of the period and the Bohemian lifestyle she and her friends enjoyed. Yet Millay's poetry is still decisively modern in its message, and it continues to resonate with readers facing personal and moral issues that defy the test of time: romantic love, loss, betrayal, compassion for one another, social equality, patriotism, and the stewardship of the natural world. Collected Poems features Millay's incisive and impassioned lyric poetry and sonnets, many of which are considered among the finest in the language, as well as the poet's last volume, Mine the Harvest, compiled and published in 1956 by her sister Norma Millay.

**Zoopoetics** Aaron M. Moe 2013-12-19 Zoopoetics assumes Aristotle was right. The general origin of poetry resides, in part, in the instinct to imitate. But it is an innovative imitation. An exploration of the oeuvres of Walt Whitman, E. E. Cummings, W. S. Merwin, and Brenda Hillman reveals the many places where an imitation of another species’ poiesis (Greek, makings) contributes to breakthroughs in poetic form. However, humans are not the only imitators in the animal kingdom. Other species, too, achieve breakthroughs in their makings through an attentiveness to the ways-of-being of other animals. For this reason, mimic octopi, elephants, beluga whales, and many other species join the exploration of what zoopoetics encompasses. Zoopoetics provides further traction for people interested in the possibilities when and where species meet. Gestures are paramount to zoopoetics. Through the interplay of gestures, the human/animal/textual spheres merge making it possible to recognize how actual, biological animals impact the material makings of poetry. Moreover, as many species are makers, zoopoetics expands the poetic tradition to include nonhuman poiesis.

*No Thanks* E. E. Cummings 1998-12-17 Reissued in an edition newly offset from the authoritative Complete Poems 1904-1962, edited by George James Firmage. E. E. Cummings, along with Pound, Eliot, and Williams, helped bring about the twentieth-century revolution in literary expression. He is recognized as the author of some of the most beautiful lyric poems written in the English language and also as one of the most inventive American poets of his time. Fresh and candid, by turns earthy, tender, defiant, and romantic, Cummings's poems celebrate the uniqueness of each individual, the need to protest the dehumanizing force of organizations, and the exuberant power of love. No Thanks was first published in 1935; although Cummings was by then in mid-career, he had still not achieved recognition, and the title refers ironically to publishers' rejections. No Thanks contains some of Cummings's most daring literary experiments, and it represents most fully his view of life—romantic individualism. The poems celebrate an openly felt response to the beauties of the natural world, and they give first place to love, especially sexual love, in all its manifestations. The volume includes such favorites as "sonnet entitled how to run the world)," "may I feel said he," "Jehovah buried. Satan dead," "be of love (a little)," and the now-famous grasshopper poem.

**Die Hauspostille** Bertolt Brecht 1991 Book jacket: Known primarily as a dramatist, Bertolt Brecht was also a gifted poet. These fifty poems-- among them many ballads that later became part of The Threepenny Opera, Mahagonny, and Baal--reveal the tremendous range and versatility of Brecht's expression. His first and best book of poetry, Manual of Piety uses the traditional form of devotional literature to provide both an irreverant spoof and a serious critique of the post-World War I European (and more specifically, German) culture that gave rise to fascism. His characteristically sly wit combines with mordant social commentary to make Manual of Piety Brecht at his most hilarious--and also his most brutally incisive.

*Erotic Poems* E. E. Cummings 2010-02-08 E. E. Cummings's erotic poems and drawings gathered in a single volume. Many years ago the prodigious and famously prolific E. E. **Hist Whist: And Other Poems for Children** E. E. Cummings 1983-11-17 Now children can claim for their very own the puddle-wonderful (mudluscious) world where buds know better than books don't grow, where little itchy mousies with scuttling eyes rustle and run and hidehidehide, and the ree ray rye roh rowster shouts rawrOO. Cummings's poetry more than that of any other major American poet keeps faith with childhood. These twenty poems were selected by him and published privately in 1962. Hist Whist combines the original twenty poems enfantins with the first appearance of the beautiful and evocative line drawings of the young California artist David Calsada. His sensitive pen has captured the spirit of Cummings's poems in its detailed rendering of a world that only poets and children can see.
