Total Cat Mojo Jackson Galaxy 2017-10-31 This comprehensive cat care guide from the star of the hit Animal Planet show "My Cat from Hell," Jackson Galaxy, shows us how to eliminate feline behavioral problems by understanding cats' instinctive behavior. Cat Mojo is the confidence that cats exhibit when they are at ease in their environment and in touch with their natural instincts—to hunt, catch, kill, eat, groom, and sleep. Problems such as litter box avoidance and aggression arise when cats lack this confidence. Jackson Galaxy's number one piece of advice to his clients is to help their cats harness their mojo. This book is his most comprehensive guide yet to cat behavior and basic cat care, rooted in understanding cats better. From getting kittens off to the right start socially, to taking care of cats in their senior years, and everything in between, this book addresses the head-to-toe physical and emotional needs of cats—whether related to grooming, nutrition, play, or stress-free trips to the vet.

The Kilkenny Cat - Book Three William Forde 2015-02-13 This author's works have been praised by numerous celebrities, the most notable being Nelson Mandela who described two of his African stories as 'Wonderful', the late Princess Diana who used to read two of his books to the Princes William and Harry when they were aged 9 and 7 years, and a former Chief Inspector of Schools for The Office for Standards in Education, Children's Services and Skills (OFSTED), who described the author's writing to the press as being of 'High quality literature.'The Kilkenny Cat has been written as a trilogy. Book One deals with the theme of 'truth', Book Two with 'justice', and Book Three on the theme of 'freedom'.All three books seek to show that truth, justice or freedom cannot exist in isolation, and that the only way one can experience any one of them is when one is able to experience all three.Book Three is set in the English North and has as its backdrop, the riots that embraced this area from the 1990s onwards. Recent riots all around the country merely reflect how deeply rooted the 'gang culture' of Great Britain has since become.The trilogy is designed to show that every country on the face of the Earth exercises discrimination against some of its citizens. The nature of discrimination may subtly change and vary from one country and situation to another in both shape and form, but it will always be present in some degree for those of us who care to look.Particular forms of discrimination looked at in this trilogy include the issues of colour, race, religion, age, culture, sexism, disability, homophobia, gypsies, asylum seekers, refugees and economic migrants.These issues are looked at through the eyes of travelling cats, whose experiences mirror those of human society. Overarching all the themes of this trilogy is the issue of 'Good' versus 'Evil', where the terms 'God' and 'Satan' are used to denote opposing values, qualities and lifestyles.The speech of the cat characters who come from Jamaica is distinguished from the speech used by non-Jamaican cats by changing the word 'you' to 'ya' and its linguistic associates, and no attempt has been made to replicate the patois more commonly used by many Jamaican citizens.The Kilkenny Cat Trilogy is an allegorical story of all manner of discrimination practised throughout the world; and particularly in Ireland, Jamaica and England. Told through the eyes and experiences of travelling gypsy cats, it is a must for all cat lovers and students of the discrimination, the 'Northern Riots', Ireland, Jamaica and Northern England and 'Good v Evil.' It is suitable for reading by teenagers and adults.

Indoor Cat Laura J. Moss 2022-04-05 Can an indoor cat live a happy, stimulating, and active life? A veterinarian and a journalist answer this question with a resounding "yes," and offer real-life guidance for opening up your cat's world, even if they stay within the confines of your home. There are many myths our culture perpetuates about domestic cats: they live longer indoors, sleep all day, are easy and low-maintenance pets, and can't be trained. Even the most well-meaning kitty caregiver will be surprised to learn that these long-held beliefs aren't necessarily based on facts, but instead reflect the many ways we have adapted our feline friends to our indoor, domesticated lifestyles. Indoor Cat, by Laura J. Moss, journalist and founder of Adventure Cats, and Lynn Bahr, a feline-only veterinarian, explores how to help cat owners understand a cat's perspective of their indoor homes, with practical ways to enhance cats' lives to the fullest and combat countless health and behavioral problems that result from indoor living, as well as raising the question: should every cat live exclusively indoors? Together with scientific studies, expert opinions from vets and behaviorists, and firsthand accounts and interviews, this informative and engaging full-color guide strives to reach compassionate cat owners looking for new ways to care for and connect with their feline companions.
