Piloting Your Life Terri Hanson Mead 2019-08-20 Are you feeling blindsided by midlife? You're not alone and you're not crazy. Our current culture tells us that midlife (ages 40-65) is a time of unraveling, chaos, and uncertainty for women. This doesn't have to be true. **MIDLIFE IS AN OPPORTUNITY, NOT A CRISIS.** Our bodies, minds, and lives are changing. Many of us feel off balance, wondering if this is all there is? Some of us feel completely unprepared. No one told us what to expect, or that midlife is a magical and transformative time of renewal that is just the beginning, not the end. In *Piloting Your Life*, diverse women from around the world share their personal stories of learning, growing, and thriving through midlife to inspire you to explore and experiment. Terri Hanson Mead candidly shares her extensive research on happiness, sex, friendship, money, and health to help you discover and live your life. It's time to throw off the chains of embarrassment and shatter the stereotypes for women in midlife. Disengage autopilot, take the controls, and be the pilot in your own life. "Tells the ugly truth and offers hope and solutions." Allison (Oklahoma)

Figures of the World Christopher Laing Hill 2020-07-15 Figures of the

World: The Naturalist Novel and Transnational Form overturns Eurocentric genealogies and globalizing generalizations about "world literature" by examining the complex, contradictory history of naturalist fiction.

Christopher Laing Hill follows naturalism's emergence in France and circulation around the world from North and South America to East Asia. His analysis shows that transnational literary studies must operate on multiple scales, combine distant reading with close analysis, and investigate how literary forms develop on the move. The book begins by tracing the history of naturalist fiction from the 1860s into the twentieth century and the reasons it spread around the world. Hill explores the development of three naturalist figures—the degenerate body, the self-liberated woman, and the social milieu—through close readings of fiction from France, Japan, and the United States. Rather than genealogies of European influence or the domination of cultural "peripheries" by the center, novels by Émile Zola, Tayama Katai, Frank Norris, and other writers reveal conspicuous departures from metropolitan models as writers revised naturalist methods to address new social conditions. Hill offers a new approach to studying culture on a large scale for readers interested in literature, the arts, and the history of ideas.

Blickling Homilies Richard J. Kelly 2010-07-15 The Blickling Homilies date from the end of the tenth century and form one of the earliest extant collections of English vernacular homiletic writings. The homiletic texts survive in a composite codex consisting of Municipal Entries for the Council of Lincoln (14th - 17th century), a Calendar (mid 15th century), Gospel Oaths (early 14th century), and the eighteen homiletic texts that are based on the yearly liturgical cycle. The Blickling Homilies are an important literary milestone in the early evolution of the English prose. The manuscript, in the collection of William H. Scheide housed in Princeton University Library (MS. 71, s.x/xi), was published in facsimile by Rudolph Willard in 1960 as Volume 10 of *Early English Manuscripts in Facsimile*, Copenhagen. It is the only Anglo-Saxon MS still in private ownership, and together with *The Blickling Psalter* are the only two Anglo-Saxon MSS in the Americas. The only previous edition of *The Blickling Homilies* is by Richard Morris, published in three volumes in 1874, 1876, & 1880 (reprinted as one volume in 1967). This new edition makes a number of corrections where Morris's manuscript reading is in error. The English translations are modernized and made more accurate. The original text and facing-page translation have been formatted into paragraphs, which are hoped to further and aid comprehension. Finally, the text and translation are accompanied by a general introduction, textual notes on each homiletic text, tables and charts, and a select bibliography.
