**Louder Than Love** Jessica Topper 2013-09-17 In this powerful debut novel, a young librarian grieves the loss of her husband...and discovers a love that defies classification. It's been over three years since a train accident made a widow of Katrina Lewis, sending her and her young daughter Abbey back to the suburban town of her youth...the only place that still makes sense. Lauder Lake is the perfect place to hide and heal. Recluse rocker Adrian "Digger" Graves survived the implosion of his music career, but his muse has long lain dormant. Until Kat hires him to play at her library—not on the basis of his hard rock credentials but rather, because of the obscure kids' TV jingle he wrote years ago. In a case of mistaken identity, Adrian stumbles into the lives of Kat and her comically lovable daughter. Using tattoos as a timeline, Adrian unfurls his life for Kat. But as the courtship intensifies, it's unclear whose past looms larger: the widow's or the rocker's. Will their demons ever rest, or will they break these soul mates apart?

**Teatime for the Firefly** Shona Patel 2013-09-24 My name is Layla and I was born under an unlucky star. For a young girl growing up in India, this is bad news. But everything began to change for me one spring day in 1943, when three unconnected incidents, like tiny droplets on a lily leaf, tipped and rolled into one. It was that tiny shift in the cosmos, I believe, that tipped us together—me and Manik Deb. Layla Roy has defied the fates. Despite being born under an inauspicious horoscope, she is raised to be educated and independent by her eccentric grandfather, Dadamohai. And, by cleverly manipulating the hand fortune has dealt her, she has even found love with Manik Deb—a man betrothed to another. All wer minor miracles in India that spring of 1943, when young women’s lives were predetermined—if not by the stars, then by centuries of family tradition and social order. Layla's life as a newly married woman takes her away from home and into the jungles of Assam, where the world's finest tea thrives on plantations run by native labor and British efficiency. Fascinated by this culture of whiskey-soaked expats who seem fazed by neither earthquakes nor man-eating leopards, she struggles to find her place among the prickly English wives with whom she is expected to socialize, and the peculiar servants she now finds under her charge. But navigating the tea-garden set will hardly be her biggest challenge. Layla's remote home is not safe from the powerful changes sweeping India on the heels of the Second World War. Their colonial society is at a tipping point, and Layla and Manik find themselves caught in a perilous racial divide that threatens their very lives. *Television Movies of the 21st Century* Vincent Terrace 2021-04-23 For the major broadcast networks, the heyday of made-for-TV movies was 20th Century programming like The ABC Movie of the Week and NBC Sunday Night at the Movies. But with changing economic times and the race for ratings, the networks gradually dropped made-for-TV movies while basic cable embraced the format, especially the Hallmark Channel (with its numerous Christmas-themed movies) and the Syfy Channel (with its array of shark attack movies and other things that go bump in the night). From the waning days of the broadcast networks to the influx of basic cable TV movies, this encyclopedia covers 1,370 films produced during the period 2000-2020. For each film entry, the reader is presented with an informative storyline, cast and character lists, technical credits (producer, director, writer), air dates, and networks. It covers the networks (ABC, CBS, Fox, Ion, and NBC) and such basic cable channels as ABC Family, Disney, Fox Family, Freeform, Hallmark, INSP, Lifetime, Nickelodeon, Syfy, TBS and TNT. There is also an appendix of "Announced but Never Produced" TV movies and a performer's index.

Two drunken brothers attend a wedding afterparty and hatch a plan to expose their shady uncle's snubbing of the bride and groom. A queer love affair sparks between an older tech entrepreneur trying to launch a 'safe space' app and a disillusioned young teacher obsessed with Moby-Dick. And in the sweeping final story, a nine-year-old child learns that his mother survived a racist school shooter. With nuanced emotional precision, gritty humour and compassionate insight into the intimacy of queer and immigrant communities, the stories in *Afterparties* deliver an explosive introduction to the work of Anthony Veasna So.

**Eat Cake** Jeanne Ray 2012-02-08 Ruth loves to bake cakes. When she is alone, she dreams up variations on recipes. When she meditates, she imagines herself in the warm, comforting center of a gigantic bundt cake. If there is a crisis, she bakes a cake; if there is a reason to celebrate, she bakes a cake. Ruth sees it as an outward manifestation of an inner need to nurture her family—which is a good thing, because all of a sudden that family is rapidly expanding. First, her mother moves in after robbers kick in her front door in broad daylight. Then Ruth’s father, a lounge singer, who she’s seen only occasionally throughout her life, shatters both wrists and, having nowhere else to go, moves in, too. Her mother and father just happen to hate each other with a deep and poisonous emotion reserved only for life-long enemies. Oh, yes indeed! Add to this mix two teenagers, a gainfully employed husband who is suddenly without a job, and a physical therapist with the instincts of a Cheryl Richardson and you’ve got a delightful and amusing concoction that comes with its own delicious icing. One of Jeanne Ray’s specialties is giving us believable, totally likable characters, engaged in the large and small dramas and amusements of life. Eat Cake is whimsical, warm, and satisfying. Eat Cake is Jeanne Ray at her best. Pull up a chair and eat cake!

**Glimpses of My Master** Veena Schlegel 2015-02-18 'Glimpses of my Master' is an account of the life and work of the enlightened Indian mystic, Osho, written from the point of view of a close disciple. Veena Schlegel was one of the first western people to meet Osho, formerly Bhagwan Shree Rajneesh, in Bombay, India, in1971. Working for him and his community in a number of ways - as a meditation centre leader, as an editor of his books, as one of his PR people in Rajneeshpuram in the USA and as one of a team of seamstresses responsible for his clothes and household effects - presented Veena with an opportunity to not only work on herself, but to observe him working with the hundreds of thousands of people coming from all over the world to listen to his words, do his meditations and live in his communes in India, the USA and around the world. Her book is about her very personal, often humorous, insights into this inspirational and extraordinary man and his attempts to help people become more aware and conscious and thus lead happier, more contented lives based on an understanding of their own personal truths. 'Glimpses of my Master' is the second of a trilogy of books in which Veena writes both about her journeys around the world and her journeys inwards on the spiritual path.

Ignored and lonely, Tara finds herself regressing back to childhood memories that have scarred her for life. When she was eight, her parents had left her behind with her aging grandparents and a schizophrenic uncle in Mangalore, while taking her baby brother with them to make a new life for the family in Dubai. Tara’s memories of abandonment and isolation mirror their present life of loneliness and escalating abuse at the hands of her husband. She accepts the help of kind-hearted American strangers to fight Sanjay, only to be pressured by her patriarchal family to make peace with her circumstances. Then, in a moment of truth, she discovers the importance of self-worth—a revelation that gives her the courage to break free, gently rebuild her life, and even risk being shunned by her community when she marries her childhood love, Cyrus Saldanha. Life with Cyrus is beautiful, until old fears come knocking. Ultimately, Tara must face these fears to save her relationship with Cyrus—and to confront the victim-shaming society she was raised within. **Motherwit** Urmila Pawar 2013-07-22 A Dalit, a Buddhist and a feminist: Urmila Pawar’s self-definition as all three identities informs her stories about women who are brave in the face of caste oppression, strong in the face of family pressures, defiant when at the receiving end of insult, and determined when guarding their interests and those of their sisters. Using the classic short story form with its surprise endings to great effect, Pawar brings to life strong and clever women who drive the reader to laughter, anger, tears or despair. Her harsh, sometimes vulgar and hard-hitting language subverts another stereotype – that of the soft-spoken woman writer. Pawar’s protagonists may not always be Dalit, and the mood not always one of anger, but caste is never far from the context and informs the subtext of each story. As critic Eleanor Zelliot notes, there is ‘tucked in every story, a note about a Buddhist vihara or Dr Ambedkar.... All her stories come from the Dalit world, revealing the great variety of Dalit life now.’ Published by Zubaan.

From his modest bed in a Rio public hospital, as his mind falters, he grandly recounts his past to passing nurses, his visiting daughter and the whitewashed ceiling. His eccentric stories are seemingly nothing more than the ramblings of a dying man, yet as he overlaps each confused memory, they begin to coalesce into a brilliant and bitter eulogy for himself and for Brazil. Charting his own fall from aristocracy, Eulalio’s feverish monologue sprawls across the last century, from his empire-building ancestors to his drug-dealing great-great grandson. He confronts his senator father who squandered the family fortune on women and cocaine, and recalls the imperious mother who he always disappointed; but as he drifts through each shifting episode, he never stops searching for Matilde, the girl with cinnamon skin, who danced her way into his heart and then broke it when she disappeared.

**Understanding Bollywood** Ulka Anjarlia 2021-03-05 This book offers an introduction to popular Hindi cinema, a genre that has a massive fan base but is often misunderstood by critics, and provides insight on topics of political and social significance. Arguing that Bollywood films are not realist representations of society or expressions of

conservative ideology but mediated texts that need to be read for their formulaic and melodramatic qualities and for their pleasurable features like bright costumes, catchy music, and sophisticated choreography, the book interprets Bollywood films as complex considerations on the state of the nation that push the boundaries of normative gender and sexuality. The book provides a careful account of Bollywood's constitutive components: its moral structure, its different forms of love, its use of song and dance, its visual style, and its embrace of cinephilia. Arguing that these five elements form the core of Bollywood cinema, the book investigates a range of films from 1947 to the present in order to show how films use and innovate formulaic structures to tell a wide range of stories that reflect changing times. The book ends with some considerations on recent changes in Bollywood cinema, suggesting that despite globalization the future of Bollywood remains promising. By presenting Bollywood cinema through an interdisciplinary lens, the book reaches beyond film studies departments and will be useful for those teaching and studying Bollywood in English, sociology, anthropology, Asian studies, and cultural studies classes.
