**52 Ways to Live a Kick-Ass Life** Andrea Owen 2013-11-01 A

much-needed kick in the ass for women everywhere! Like many women, Andrea Owen always lived life on the sidelines, watching each day pass by without ever catching a glimpse of the happiness she yearned for-- until the day she had enough. She realized that she had to take action and step out of the box she had created for herself if she really wanted the best life possible. And now, as a celebrated life coach, she shows thousands of women how to take the reins, create an actionable plan for their goals, and finally reach their full potential. In this powerful book, Owen guides you through her acclaimed strategies for creating a more fulfilling life. Each goal-orientated lesson empowers you to take control of the barriers that keep you from achieving the love and success you desire. From breaking the unrewarding cycle of people pleasing to dealing with unsupportive friends, this book approaches the problems you face with a candid look at why you aren't satisfied-- and how to fix it. Owen's life-changing wisdom helps you uncover your self-limiting beliefs as well as push you out of your comfort zone by zeroing in on the most difficult issues. Never one to sugarcoat the truth, she holds you accountable for your actions while offering expert advice for knocking down that cynical inner-voice and loving yourself wholeheartedly. With *52 Ways to Live a Kick-Ass Life*, you will shut off your internal auto-pilot; kick empty expectations to the curb; and live a bigger, gutsier life.

**American Blood** Ben Sanders 2015-11-17 In Ben Sanders's *American Blood*, a former undercover cop now in witness protection finds himself pulled into the search for a missing woman; film rights sold to Warner Bros with Bradley Cooper attached to star and produce. After a botched undercover operation, ex-NYPD officer Marshall

Grade is living in witness protection in Santa Fe, New Mexico. Marshall's instructions are to keep a low profile: the mob wants him dead, and a contract killer known as the Dallas Man has been hired to track him down. Racked with guilt over wrongs committed during his undercover work, and seeking atonement, Marshall investigates the disappearance of a local woman named Alyce Ray. Members of a drug ring seem to hold clues to Ray's whereabouts, but hunting traffickers is no quiet task. Word of Marshall's efforts spreads, and soon the worst elements of his former life, including the Dallas Man, are coming for him. Written by a rising New Zealand star who has been described as "first rate," this American debut drops a Jack Reacher-like hero into the landscape of No Country for Old Men.

**A Fortress Of Grey Ice** J. V. Jones 2010-06-03 The war to end all wars is coming. The Endlords are preparing themselves for invasion. Now should be the time when

city men and clansmen come together to fight the dark forces of destruction, yet they feud amongst themselves, unaware of the danger facing them. Only the Sull are preparing for war against the Endlords. They are an ancient, dwindling race, and they fear this fight might be their last. Sull legend speaks of The One Who Bears Loss, the warrior who will slay the Endlords, and they believe this warrior will be one of their own. Ash March is their most valued and sacred warrior, and it is Mal Naysayer's duty to bring her home to save her people. But thousands of leagues to the north, Raif Severance is learning that he alone can kill Endlords swiftly. An outcast and outlaw, Raif must betray his clan and forsake his beliefs, and raise the Fortress of Grey Ice. **Urban School Leadership** Tom Payzant 2010-11-04 This important book, written by educational expert and urban school leader, Tom Payzant, offers a realistic understanding of what urban school leadership looks like from the inside. Payzant shares his first-hand knowledge of the unique managerial, instructional, and political

tasks of this role. Effectively combining practical lessons and research, Urban School Leadership includes in-depth analysis of various leadership concerns. The book covers topics such as improving student achievement, working with unions, building community, and maintaining and developing resources. Most importantly, it offers stories of real school leaders whose successes and missteps reveal the inherent "messiness" of this difficult job. Urban School Leadership is part of the Jossey-Bass Leadership Library in Education series. "This important book provides compelling examples of how effective leaders can have hope, see progress, and achieve success for all children in the schools and districts they lead."—Richard Riley, former United States Secretary of Education "Tom Payzant is one of the few people who could provide such a comprehensive, useful book for educational leaders at all levels. This very practical book is grounded in the important experiences and impressive judgment of one of our nation's most successful school superintendents"—Jon Schnur, co-founder and CEO, New Leaders for New Schools "Tom Payzant is one of the finest urban educators of our generation. Urban School Leadership is compelling, crisp, and wise—providing a clear path for those dedicated to improving the trajectory of children's lives."—Timothy F.C. Knowles, executive director, Center for Urban School Improvement, University of Chicago "Urban School Leadership is a must read for anyone interested in the landscape of urban public education in America."—Beverly Hall, superintendent, Atlanta Public Schools

*Motorcycle Electrical Systems* Tracy Martin A motorcycle's electrical system can be daunting to even the most adept home mechanic. And yet, the more complex these systems become—and the more important to a motorcycle's function—the more useful, even critical, it will be to know something about them. That's where this book comes in with a user-friendly guide to understanding, diagnosing, and fixing the electrical systems and components that make a bike run . . . or falter. Veteran technician Tracy Martin explains the principles behind motorcycle electrical systems and how they work. He details the various tools, such as multimeters and test lights, that can be used to evaluate and troubleshoot any vehicle's electrical problem. And in several hands-on projects, he takes readers on a guided tour of their vehicle's electrical system, along the way giving clear, step-by-step instructions for diagnosing specific problems.

**Visual Basic 2008** Paul J. Deitel 2009 Appropriate for all basic-to-intermediate level courses in Visual Basic 2008 programming. Created by world-renowned programming instructors Paul and Harvey Deitel, Visual Basic 2008 How to Program, Fourth Edition introduces all facets of the Visual Basic 2008 language hands-on, through hundreds of working programs. This book has been thoroughly updated to reflect the major innovations Microsoft has incorporated in Visual Basic 2008 and .NET 3.5; all discussions and sample code have been carefully

audited against the newest Visual Basic language specification. The many new platform features covered in depth in this edition include: LINQ data queries, Windows Presentation Foundation (WPF), ASP.NET Ajax and the Microsoft Ajax Library, Silverlight-based rich Internet application development, and creating Web services with Windows Communication Foundation (WCF). New language features introduced in this edition: object anonymous types, object initializers, implicitly typed local variables and arrays, delegates, lambda expressions, and extension methods. Students begin by getting comfortable with the free Visual Basic Express 2008 IDE and basic VB syntax included on the CD. Next, they build their skills one step at a time, mastering control structures, classes, objects, methods, variables, arrays, and the core techniques of object-oriented programming. With this strong foundation in place, the Deitels introduce more sophisticated techniques, including inheritance, polymorphism, exception handling, strings, GUI's, data structures, generics, and collections. Throughout, the authors show developers how to make the most of Microsoft's Visual Studio tools. A series of appendices provide essential programming reference material on topics ranging from number systems to the Visual Studio Debugger, UML 2 to Unicode and ASCII.
