history of the car. Includes stunning photography, and featuring more than 2,000 cars, The Car Book shows you how cars have evolved around the world over the last 130 years, and their impact on society as objects of curiosity, symbols of status and luxury, and items of necessity. Extensive catalogues showcase the most important marques and models, organized in categories such as sports cars, convertibles, and city compacts. The ebook also features virtual photographic tours of some of the most iconic cars from each era, such as the Rolls Royce Silver Ghost, Ford Model T, Lamborghini Countach, and McLaren Speedtail, while cross-sections of key engines explore the driving force behind them. Lavishly illustrated feature spreads detail the stories of the individuals, machines, and visionary ideas that helped create the car world's most famous marques and made

brands such as Porsche, Mercedes-Benz, Aston Martin, and Cadillac household names. If you love cars, then you'll love The Car Book. It is simply a must-have title for all motoring enthusiasts.

2000 From the sensational
Chevrolet Corvette to the
stream-lined Toyota Celica,
here is the ultimate history
of classic cars manufactured
since 1975, plus those
dream and futuristic cars
that were marvels of car
design but never made it
into production. This
comprehensive visual
reference shows every
important marque from A-Z,
highlighting some of the
most significant and
beautiful cars of the century.
Detailed descriptions,
history and technical
information accompany
every entry, making this the
most authoritative and
comprehensive guide to the
contemporary classic car.
This book also highlights the
world's dream cars that

were built as showcases but
were never actually mass-
produced. From major
design houses such as
Bertone and Ghia, these
cars are at the very cutting
edge of car design: futuristic
models that were deemed
too daring, too brash or too
expensive to make
commercial sense, but
which pay tribute to the
imagination and drive of car
designers today. With over
800 stunning images, this
title is the definitive gallery
of classic and dream cars
and the decisive reference
book for every enthusiast
and lover of the automobile.
